

Public Notice

The Village of Bolingbrook, Illinois, owner and operator of Bolingbrook's Clow International Airport, in Bolingbrook, Illinois, intends to submit to the Federal Aviation Administration a request for federal funds to assist the Village in the improvement of the Airport. Proposed development at Bolingbrook's Clow International Airport planned to occur over a five-year period includes:

Reimbursement for the previous acquisition by the Village of approximately 80 acres and associated airport improvements. Acquire approximately 1.2 acres of land in fee simple title and approximately 48 acres of avigation easements. Install perimeter fencing to preserve security. Remove Airport design deviations and FAR Part 77 obstructions - remove buildings, trees, utility lines, pavements, grading and filling. Construct new, replacement Runway 18-36, 3,360 feet long by 100 feet wide. The new runway will be located parallel to and approximately 75 feet west of the existing runway. This action includes grading, drainage and filling in pavement side slopes to provide safety areas. Construct two (2) 80 by 100 foot blast pads on each runway end. Install Precision Approach Path Indicator (PAPI-4) Lights to serve pilots on approach to both runway thresholds. Install Runway End Identifier Lights (REIL) that serves pilots on approach to both runway ends. Install Supplemental Wind Cones on each runway end. Construct new parallel Taxiway to Runway 18-36 to current FAA design standards. Install Medium Intensity Taxiway Lights (MITL) and Guidance Signs. Construct additional aircraft hangar and parking apron facilities. Construct additional auto parking facilities. Install Airport Rotating Beacon. Install Automated Weather Observing Station (AWOS-II). Identify mitigation for any potential wetlands, floodplain, wildlife or cultural resource impacts, if applicable. Deactivate and remove the existing Runway 18-36 and associated parallel taxiway. Reduce wildlife attractants through modification to existing storm water retention facilities located adjacent to the Airport.

A public hearing will be held on August 4, 2011 from 3:30 pm until 8:30 pm in the Board Room of the Town Center, 375 West Briarcliff Road, Bolingbrook, Illinois 60440. The purpose of this public hearing is to consider the social, economic and environmental effects of the proposed Bolingbrook's Clow International Airport development, and its consistency with the goals and objectives of area planning agencies. The public will be given the opportunity to:

- ➔ Review materials describing the proposed development and the findings of an Environmental Assessment prepared regarding the development.
- ➔ Ask questions of and discuss the development plans and/or the Environmental Assessment with representatives of the Village of Bolingbrook.
- ➔ Present oral and/or written testimony in favor of or in opposition to the development project.

No formal presentation of the proposed development will be made. A written record of all comments will be made. Forms for providing comments will be available at the public hearing. After the hearing, additional written comments, which must contain the individual's full name and address, will be accepted by the Village of Bolingbrook until 4:30 pm on September 6, 2011 at the following address:
Attention: Mr. Michael J. Drey, Village of Bolingbrook, Director of Public Works/Engineering, 375 West Briarcliff Road, Bolingbrook, Illinois 60440, Phone: 630.226.8800, Facsimile: 630.226.8809

E-mailed comments, to the attention of Mr. Michael J. Drey, will also be accepted until 4:30 pm on September 6, 2011 at the following address: 1C5@bolingbrook.com

All comments, whether oral, written, mailed or received by e-mail, must contain the full name and address of the person(s) commenting. Comments from agencies and organizations must include the organization's full name and address, and must note under whose authority the comments are made.

Accommodations for those persons with disabilities will be available in accordance with the Americans with Disabilities Act. The public hearing location is an accessible facility. Questions regarding the accessibility of the hearing or the Village's facilities, should contact the Village's ADA Coordinator, Dan Buonzmici, at 630-226-8471 [TDD 630-226-8402]. Special accommodations can also be made available for persons with speech or hearing impairments or those where English is their second language if prior notification is provided before 4:30 pm on July 26, 2011 by contacting the Village's ADA Coordinator, Dan Buonzmici, at 630-226-8471 [TDD 630-226-8402].

An Environmental Assessment document has been prepared which describes the development in greater detail and summarizes the anticipated development impact. Copies of the Environmental Assessment are available for public inspection during normal business hours at the following locations:

- ➔ Village of Bolingbrook Town Center, 375 West Briarcliff Road, Bolingbrook, Illinois 60440
- ➔ Bolingbrook's Clow International Airport, 130 S. Clow International Parkway, Bolingbrook, Illinois 60440
- ➔ Fountaindale Public Library, 300 West Briarcliff Road, Bolingbrook, Illinois 60440

By order of the Village of Bolingbrook, Roger C. Claar, Mayor
